OLI STUDENT PERFORMANCE CONTRACT

MEMORANDUM OF AGREEMENT

Between

_____ (Name)

-and-

Outside Looking In per: Tracee Smith, Founder and Director

This agreement sets forth the conditions for my participation in the OLI program:

- I understand that I must attend academic classes and dance rehearsals regularly and abide by the OLI Program Policy.
- I agree that OLI will make the final decision on the participants who will travel to Toronto based on performance both in dance rehearsals and academic classes.
- I understand that it is not my teachers who remove me from the program. If I do not follow the program criteria OR if I demonstrate that I am not yet ready for the OLI camp and performance experience, I remove myself.
- I understand that the Program Policy between OLI and my school states that:
 - I must not have more than ____ unexcused absences from my academic classes.
 - I must not have more than ____ unexcused absences from community rehearsals.
 - Arriving late to class or rehearsals is reason for serious concern. OLI expects all youth to arrive on time and lack of punctuality may put me at risk.
 - I must maintain a good standing in all my subjects with a mark of at least _____.
 - It is my responsibility to ensure that my choreography is up to date and I achieve status in the **Green group** on my performance assessments. If I am unable to perform the choreography at the level of the rest of the group, I will not travel to Toronto to perform
 - If I miss 3 rehearsals with the choreographer, I will remove myself from OLI.
 - I understand that inappropriate behaviour (i.e. bullying, fighting, swearing, hurting others) in school or OLI rehearsals jeopardizes my participation in the OLI program.
 - I understand I must complete the school year after the Toronto trip or I will not be eligible for the program the following year.
